COMPANY PROFILE

By unifying heavy infrastructure procurement, cross-border customs logistics, and workforce deployment under a single, rigorous oversight model, **HISCORP** eliminates the friction points that typically delay government-scale initiatives. We don't just fill labor or equipment gaps—we build transparent, auditable, and resilient operational ecosystems that protect public capital and guarantee mission readiness from day one.

ABOUT US

About Us

A multi-dimensional company, that specializes Civil Construction, Global Procurement, Tactical Logistics, Workforce Management, and Integrated Facility Support.

HISCORP Integrated Services LLC is a premier, newly established multi-disciplinary contractor proudly headquartered in the strategically vital hub of Kismayo, Somalia. Formed by a forward-thinking group of regional and international logistics, construction, and corporate operations experts, **HISCORP** serves as a highly efficient, single-point-of-contact partner for government agencies, international defense entities, and global non-governmental organizations (NGOs) operating across the Jubaland & Somalia region.

We bridge the operational gap between rigid international compliance frameworks and the unique ground realities of field execution in East Africa. Unburdened by the bureaucratic delays and heavy corporate overhead structures of legacy companies, **HISCORP** utilizes modern project management methodologies, direct local supply channels, and a completely vetted network of local human capital to execute projects safely, transparently, and exactly on schedule. Safety, quality and honesty are the three integral values that sits Centre to the companies vision.

HISCORP
INTEGRATED SERVICES LLC

VISION

To be East Africa's most trusted and agile local prime contractor—setting the standard for operational integrity, seamless international compliance, and flawless execution in high-stakes infrastructure, procurement, and tactical logistics across Jubaland and beyond.

MISSION

01

- Combining high-integrity construction, global procurement, and a vetted workforce.

02

- Leveraging local ground intelligence and strict international ethical compliance.

03

- Operating with absolute financial integrity and zero performance gaps.

04

- Delivering infrastructure that strengthens local capacity and sustainable stability.

OUR SERVICES

01 Construction

- **HISCORP** delivers certified, professional construction and property solutions designed to give you complete peace of mind. Specializing in comprehensive structural and system coverage, our expert team manages everything from initial planning to rigorous quality inspections across residential, commercial, and multi-unit projects.

02 Procurement

- From specialized power equipment (such as diesel generators, transformers, and solar/inverter systems) to real estate and agricultural assets, **HISCORP** acts as a trusted third-party Procurement Management partner. We seamlessly supplement your internal departments with rigorous vendor evaluation, market research, and end-to-end execution to ensure absolute transparency and complete satisfaction.

03 Logistics and Transportation

- From navigating complex international freight channels to managing regional door-to-door distribution, **HISCORP** optimizes your entire supply chain. By prioritizing cost-effectiveness, stringent safety compliance, and end-to-end monitoring, we eliminate operational disruptions and ensure your cargo reaches its destination seamlessly—acting as the dependable logistics backbone your business deserves.

04 Warehousing

- Through strict vendor evaluation and third-party oversight, **HISCORP** helps small, medium, and large organizations secure facilities that feature real-time inventory tracking, rigorous quality control, and pristine safety standards. We seamlessly align your storage logistics with your broader procurement timelines, ensuring that your inventory remains secure, accessible, and ready for efficient dispatch when you need it most.

05 Freight and Customs clearance

- By thoroughly auditing documentation—including HS code classification, country-of-origin validation, and import/export permits—**HISCORP** minimizes the risk of port delays, fines, or unexpected storage fees. We coordinate directly with certified third-party customs brokers and global carriers across air, sea, and land routes, providing small, medium, and large organizations with an end-to-end, transparent workflow that keeps your supply chain moving on schedule.

06 LABOUR WORKFORCE

- Through rigorous third-party assessment and workforce compliance tracking, **HISCORP** ensures that your labor force is seamlessly aligned with your broader operational timelines. From technical staff and administrative personnel to project-based laborers, we help you source the right talent while maintaining strict standards for efficiency, risk management, and workforce sustainability—giving you total operational continuity and peace of mind.
